

Take teambuilding from monotonous to filled with laughter & a little mayhem.

WHY HOST AN INTERACTIVE MYSTERY WITH US?

We have been hosting interactive mysteries since 2016 & have carefully honed our craft for the best experience possible.

Rogue Mysteries are silly, engaging, interactive, & the promise of a good time.

Even better, we'll help instill important groundwork for your team to bring them together & expand their soft skills. If desired, our trained staff can even debrief after the performance.

WE CAN BRING YOUR TEAM TOGETHER IN THE SILLIEST WAY POSSIBLE, & WITH ONLY ONE MURDER.

WHY A MYSTERY TEAM BUILDER?

Who-dun-it?

Our mysteries focus on bringing you into the mystery with us, giving guests the opportunity to interrogate suspects (as a group) & help guide the story. You never know what will happen or how suspects will change & adapt to questions from guests.

Your team will have to cooperate, use critical thinking, and emotional intelligence to solve a mystery together.

Our mysteries are always fun, a little chaotic, and bring all people together to find the killer.

LITTLE WORDS ABOUT US

Spinning out of the Spring Hill Players in 2020, the Roving Rogues was started by 4 friends with a passion for the arts, and the hope to expand opportunities to local talent. Our goal is to provide opportunities for local creators & for the public to experience performances in different ways & mediums.
